Where The Bloody Hell Are You? Reduced Again!

It does not get any better than this & the owners will accept an offer. Forget all the Real Estate jargon about opportunity knocks, quite frankly this is value for money and should not be over looked. The owners have looked at the competition, looked at recent sales and have taken my advice & priced it to SELL. Fantastic location, Ocean Views, 100% Family Suburb as reported by Reiwa. Recent reports and the commencement of the fore shore cafe etc: has this down as one of the suburbs to watch grow in value. Miss and you will regret it.

560 sqm block with uninterrupted ocean views from the rear.
16m frontage
35m in depth

An abundance of parks, walking distance to the Jindalee foreshore, the cafe now well on the way to being finished and the new Jindalee Commercial Centre now fully established with the medical centre, cafes & restaurants, 24/7 gym and a host of other services to make this the place to be.

APG have the perfect two storey home to fit this block with a rear balcony to take in those stunning sunsets & views.
